

# ROTARY ACHIEVEMENT2001

16<sup>TH</sup> ANNUAL WORKSHOP FOR PERSONAL AND BUSINESS DEVELOPMENT

## FACULTY

(Who all have generously donated their time)

### Lou Coenen - Workshop Director

Lou Coenen is an Executive Project Manager with IBM. He has held a variety of management roles in Australia, Europe, the UK, and the US primarily focusing on the implementation of IT services and products. Prior to joining IBM, Mr Coenen was the CEO or a senior executive in a number of international engineering and manufacturing technology companies where he focused on maximising company performance in difficult market environments.

### Ken Simper B.Sc. MBA (Macquarie)

Ken Simper is a Director of Alexander Paterson Pty Ltd, a human resource consulting firm. Previously he was principal of Traininghouse Associates and, prior to that, Chairman and founder of Mentor Human Resource Group, a leading Australian human resource consulting organisation which became DDI Asia Pacific. Ken's organisations have provided assessment, selection, training and development methods and programs for more than 20,000 managers and supervisors throughout Australia and New Zealand. Ken will lead several sessions on self-insight and personal growth over the three days.

### Dr Brendan Nelson MP

Dr Nelson has been the Federal Member for Bradfield since 1996. He was appointed Parliamentary Secretary to the Minister of Defence this year, in recognition of his outstanding contribution to Government. He has held numerous public appointments over his distinguished career, including National President, Australian Medical Association. Additional to his onerous role as a Parliamentary Secretary, Dr Nelson is also a member of a number of Government Committees, including Secretary Government Members Employment, Workplace Relations, Small Business and Employment Services; Aboriginal Affairs; Treasury, Finance and Public Administration; Health & Aged Care and Family and Community Affairs and several other appointments. Dr Nelson will address the Workshop on the role of Government in the Business Environment.

### John Wylie - Managing Director, ING Australia

John Wylie has extensive experience in the financial services sector and has worked in most areas of life insurance in both the individual and corporate markets. John is a Fellow of the Institute of Actuaries of Australia. Since May 1997 John has worked for ING as CEO of their fast-growing Polish subsidiary, Nationale-Nederlanden. He has been an active member and chairman of ING Poland's multi-business executive team. John worked for Mercantile Mutual (part of ING Group), from 1992 until 1997 as Deputy General Manager and then General Manager of the Life Business Division. In this five year period Mercantile Mutual grew its life business in a declining market and profit of the division more than quadrupled from \$A8 million to nearly \$A40 million. John will address the Workshop on marketing in increasingly globalised world economies.

### Darryl J. Pike, Executive Director, Bridgeport Advisers & Asset Managers Pty Limited

Darryl Pike is recognised as one of the founders of the Australian Financial Services Industry. In the mid 1970s Darryl pioneered Real Estate Syndicates and First Mortgage Trusts into an unsophisticated investor market which was then used to only bank deposit accounts and a market not supported by any form of adviser distribution. He was awarded the prestigious Financial Adviser of the Year Award, voted on by his peers, in 1989. He is the author of a best selling book "The Apprentice Millionaire", was resident money expert on Channel 10 for 12 months and has had countless radio and TV segments. Darryl conducts regular financial training sessions for executives of companies such as McDonald's, Schwarzkopf Professional, Zurich etc. He is a sought after speaker on the national and international speaking circuit. Darryl's presentation will be about maximising the potential in your business and is titled "Working on Your Business, not in it".

### Roger Montgomery B Ec (Melb) - Investors' Advantage

Roger is principal of his own business, Investors' Advantage which provides training throughout Australia. Most of his presentations are made to clients and members of the Securities Institute of Australia, The Australian Stock Exchange and E-Trade. These presentations cover all aspects of the Stock Market including trading and investing in shares and in the wide range of derivative products including Futures, Warrants, Options and so on, as well as addressing the raising of equity capital for all stages of the equity raising process. He is a widely sought after speaker in all states of Australia. Roger will address the Workshop on the role of the Stock Exchange in the business environment as well as giving a few ideas on investing in the share market.

### Ian Hutchison - Life by Design

Ian runs a very successful business, Life by Design. Providing a balance to life is one of the major issues people face today. By introducing people to ideas to achieve balance to their lives, Ian is able to assist people in achieving a quality of life that better utilises their potential.

Life by Design is as applicable to the 18 year old as to the 65 year old. The workshops Ian provides are widely sought after by major companies to be used for their own staff as well as to be offered to their clients. Ian will provide a presentation on lifestyle planning to the Workshop to 'round off' the programme.

## GET MORE FROM YOUR YOUNG LEADERS

### Three days that will excite your best employees with management potential

A sound understanding of the business environment and the changes affecting it, is critical to good performance. The Achievement workshop is a three-day live-in workshop designed for young current and potential managers. It offers employers an opportunity to:

- ✓ DEVELOP KEY YOUNG EMPLOYEES
- ✓ IDENTIFY SPECIAL ABILITIES
- ✓ ACKNOWLEDGE THEIR CONTRIBUTION TO THE BUSINESS

The workshop encompasses:

- ✓ PERSONAL DEVELOPMENT
- ✓ BUSINESS SIMULATION
- ✓ CONTRIBUTIONS FROM BUSINESS LEADERS

Achievement provides an ideal opportunity for young people with good potential to advance their understanding of business, of the work place and of themselves.

**FOCUSED ON DEVELOPING RESPONSIBILITY FOR  
JOB PERFORMANCE AND PERSONAL GROWTH  
BENEFITS BOTH THE INDIVIDUAL AND THE EMPLOYER**

### Previous Participant Comment

## Rotary's Invitation

Nominate your most promising young employees to attend this unique personal development opportunity. It can make a critical difference to an individual's future performance on the job.

This is a Rotary contribution towards the development of potential business leaders of tomorrow.

*"I returned to work with a totally different outlook, my enthusiasm renewed."*

## BOTH THE COMPANY AND THE EMPLOYEE BENEFIT

One of the aims of the Workshop is to develop an individually tailored Discussion Program that opens communications and creates a development partnership between employer and employee.

**It should prove to be the most useful discussion they will ever have!**

## WORKSHOP FORMULA

1. Participants and supervisors complete pre-course assignments about job and personal skill needs
2. Participants identify actions necessary for improvement
3. Selected business leaders provide up to date information about achieving success in business
4. A realistic business simulation provides the opportunity to solve problems
5. Awareness is raised of other important aspects of business, including business objectives
6. The Development Discussion Plan helps employers and participants create an environment for further growth

### Benefits to Employer

- ✓ Gain employees who are focused on the company's goals and values
- ✓ Gain maximum performance from employees
- ✓ Gain employees who are MORE responsible for their own skill development and performance
- ✓ Participants gain a better understanding of the broader aspects of management

### Benefits to Employee

- ✓ Identify capabilities through a better understanding of individual skills and those that can be improved
- ✓ Identify personal values and goals
