## Volunteers for Golden Oldies

**Calling all Rotarians and Rugby supporters.**

Please bring the contents of this email and attachment to the awareness of your members. It is an excellent community service and PR opportunity.

Alan needs at least 30 volunteers to help marshal the teams from the 17 participating nations for the parade and as many as possible (but at least 6 per shift) on each of the other days to look after information booths.

Alan has stressed volunteers should wear Rotary tops.

Please contact Alan to register members who can volunteer on one or more days or if you have any questions.

This is a major event which will inject \$17Mil into the local economy. It is a great opportunity for Rotary to have a high profile and fun just being part of the action.

Please act now as time is short.

Regards  
Graeme Davies  
D9680 Community Service Chairman  
2010-11

Judy Houghton is organizer and Peter Tang Michael Tyler have volunteered

### From Turramurra on Gordon Markets

Dear folks,  
A seriously busy market last Sunday. One of our biggest ever,  
Getting everyone in and settled was quite a stress. Ask Roger!

Luckily there was only one left behind car as there were no spare spaces.

Tiger was there with his scooter which really helped save the day.

Gross takings \$3866.75 Sept 09 we took \$2,793 so we are on the right track.

Notes \$3,285 - mainly from stallholders - many tell me they have been there more than 20 years, no wonder they get attached to their spot.

Coins \$581.75 -- from customers - about 50% from the southern entrance.

Nearby stallholders tell me the take from customers doubles when Rotarians are yarning nearby!

Yarning !! Such a rare site to see!

Barrie Heath, Roger Blackwood, Tiger Mason, Michael Barnett, and Roger Norman were all on deck and Stein Falster did a sterling job organising the bookings.

Regards Dennis

### Rotary Foundation Thought for The Week

11) This week's Rotary Foundation Thought is about bridging the world's needs. During the rainy season in Ethiopia many rural communities are isolated by fast flowing flooded rivers that separate them from vital aspects of life. With support from a Rotary Foundation Matching grant, eight foot bridges were built to alleviate these villages isolation. Sponsored by the Rotary Club of Addis Ababa, Ethiopia and the Rotary Club of Gloucester, Virginia, USA these bridges will improve the living conditions of local communities and provide them with access to life's daily needs. So even during the rainy season in Ethiopia, Rotarians will know that through contributions to The Rotary Foundation they helped provide a bridge out of isolation for these eight communities.

## The 'Koongga' Message Stick

### The Emblem of the Rotary Club Of Ku-ring-gai

It is appropriate that the emblem of the Rotary Club of Ku-ring-gai should be the "KOONGGA", which is a message stick used by the Australian Aborigines. The pattern of markings burnt into the surface of a "Koongga" is not a form of writing. The bearer delivers the message orally and the "Koongga" is a guarantee that he is telling the truth.

Bearers of message sticks sometimes travelled long distances, often through the territories of hostile tribes. The messages they delivered were to arrange a corroboree, a trade meeting, exchange of information and other tribal matters.

The colours and symbols on a "Koongga" vary with each tribe. The ones chosen by the Rotary Club of Ku-ring-gai and incorporated into our banner are representative of the tribes that lived in the Ku-ring-gai area many years ago. Additionally, the Banner of the Rotary club of Ku-ring-gai bids to all who receive it, a friendly "Karlbandi", a friendly welcome. Indeed, the Club's "Koongga" and "Karlbandi", banner reflect in their own unique way, the ideal of "Rotarians united in service, dedicated in Peace".
