### Film Evening

Ross Egan has done it again. For many weeks Ross was struggling to achieve the 200 target to fill the Roseville Theatre and make the evening a financial success. On the evening there was a full house plus in the foyer with many unticketed viewers claiming a seat. Several members including Graham and Judy Timms surrendered their tickets and made way for the visitors. I think everyone had a seat before the show started.

It was a great show and I am sure everyone enjoyed it.

These photos show that a relaxed pre-film drink, nibbles & chat quickly turned into a full house: standing room only crush!

## AGM Resumes November 8

The board advises that the Annual General Meeting will resume at the Club's normal meeting on Monday 8th November, 2010 to consider and if appropriate, adopt the Financial Report for the Year ended 30th June, 2009

Geoff Hungerford

## 90 Seconds with Caroline Jones

My earliest memory is playing with the kindy dog on my first day at Kindergarten

My most memorable school event or achievement was keeping it a secret in Year 12 that I was sitting for four first levels and then getting them even though the school discouraged that many

I don't like to talk about cancer

My most treasured possessions are my three daughters

My mother's favourite exhortation was never complain and never explain

I wish I had a skinny body

I wish I hadn't bought a mother-of-the-bride outfit one size too small

My most humiliating moment was watching my daughters racing up and down heartbreak hill with bottles of water for me

The happiest time in my life was camping holidays with Keith and the girls

My guiltiest pleasure is chocolate

My last meal would be chocolate

If I could change one moment or event in my life it would be for Keith to be still with me

When I was a child I wanted to be a writer

The book that changed my life was "The Old Man and the Sea"

Even though it's not fashionable I love camping

If I could live anywhere and afford it I would live six months in Australia and six months in France

My best trait is my happy disposition

My worst trait is tuning out if I'm not interested in what someone is saying

If only I could navigate easily

The hardest thing I have ever done is abseil off the Three Sisters

I relax by reading and listening to the French news

What I don't find amusing is unfairness

If I wasn't me I'd like to be someone who lives six months in Australia and six months in France

My worst job was selling Avon

I often wonder what happened to the girl who mothered everyone at primary school

## Paul Harris Luncheon

As yet we have only a small number of clubs from 9680 register for the PHF luncheon on November 22<sup>nd</sup>. We have "heard" various reports from clubs as to the fact they are making up a table, but please we need you all to register now so that the planning committee can complete the arrangements with the venue and such like.

If by November 22<sup>nd</sup> you have selected your board for next year, you may like to encourage the board to come along to hear incoming RI President Kalyan Banerjee, and perhaps have a group photo together with Kaylan.

However most importantly, along with your Club Foundation Director, please promote the luncheon as an important opportunity to show support for the Rotary Foundation and the \$200 million Polio Campaign, and encourage all Paul Harris Fellows and Centurions to come along to this once a year Tri-District PHF luncheon.

This is also a perfect opportunity to invite new members along as guests, so that they have a chance to see the wider side of Rotary.

### Exchange Student Millie Constable

Dear Eleanor - Millie has asked me to forward this report to you as she has lost alot of her email addresses. We visited Millie in July and met all her exchange families and has a wonderful time. She has been very lucky with her families they have been so lovely to her. Apparently her Danish is extremely good - she understands most things and can speak it very well according to her last host family. She is so happy there - it's been wonderful.

We have an exchange student here with us at the moment, an 18 year old girl from Belgium who is sponsored by the Lane Cove Rotary Club. She has only been with us for a week today so we are all getting used to each other. I hope you are well. I apologise profusely for Millie's very overdue email

Kindest regards, Belinda Constable

### Note of appreciation for our \$3,000 donation to Studio Artes

Dear President Michael and members of the Rotary Club of Kuring-gai, thank you so much for your very generous donation of \$3,000.00 towards our vehicle project. We really enjoyed our visit on Monday night and appreciate your support very much.

with Best wishes

Guy Fredericks

for everyone at studio ARTES.

#### Membership Awareness Mornings

##### Membership Awareness Mornings - 8.30 to 12.30

Saturday 23 October – West Lindfield Shopping Centre

Saturday 13 November – West Pymble Shopping Centre

This is a great opportunity to let the public know of our Club and its activities and hopefully encourage interested people to come to a meeting with the view to membership.

We need a team of 4 at each centre. I will circulate a list on Monday for members to nominate if they can attend for either 2 or 4 hours.

Many thanks .....Malcolm

#### Tennis all Day Sunday 17 Oct

3 superb lawn courts.

Cost to Rotary is \$20. You may wish to make a member donation \$10 per head – to aid something??, and cover the cost of balls etc.

Catering will be BYO meat & salads & drink

We will need to generate some RCK interest over the next 2 weeks!

This event is in our calendar and I would appreciate your advice as the practicality of setting up a 'round robin' combining LTC/RCK members or simply using our LTC club captain (Simon Kaye) to program a day's tennis with BBQ.

**If you wish to join the day please contact Ross or Tony**

## Rotary Foundation Thought for The Week

13) This week's Rotary Foundation Thought is about Rotary's Disaster Recovery efforts.

Pakistani Rotarians are bringing education back into the lives of those in Pakistan and India affected by the earthquake of 2005 (and now again from Floods in 2010). In Azad Kashmir more than 80% of the schools were either completely destroyed or badly damaged. The local Disaster Recovery Committee in Pakistan decided to focus its efforts on rebuilding schools. They will help rebuild five new, environmentally-friendly schools equipped with electricity, running water, bathroom facilities, and furniture and school supplies. Children and families throughout Azad Kashmir will be profoundly impacted by the efforts of Pakistani Rotarians. *Every Rotarian, Every Year* -Working together to make life better -for Everyone!

Dist 9680 took the decision on September 24 to allocate US\$5,000 from our District Designated Fund to the Rotary Foundation Pakistan Flood Relief Fund to support Matching Grants in Pakistan to rebuild after the floods. If Clubs have an interest in Matching Grants in Pakistan please contact PDG John Cameron.

## The 'Koongga' Message Stick

### The Emblem of the Rotary Club Of Ku-ring-gai

It is appropriate that the emblem of the Rotary Club of Ku-ring-gai should be the "KOONGGA", which is a message stick used by the Australian Aborigines. The pattern of markings burnt into the surface of a "Koongga" is not a form of writing. The bearer delivers the message orally and the "Koongga" is a guarantee that he is telling the truth.

Bearers of message sticks sometimes travelled long distances, often through the territories of hostile tribes. The messages they delivered were to arrange a corroboree, a trade meeting, exchange of information and other tribal matters.

The colours and symbols on a "Koongga" vary with each tribe. The ones chosen by the Rotary Club of Ku-ring-gai and incorporated into our banner are representative of the tribes that lived in the Ku-ring-gai area many years ago. Additionally, the Banner of the Rotary club of Ku-ring-gai bids to all who receive it, a friendly "Karlbandi", a friendly welcome. Indeed, the Club's "Koongga" and "Karlbandi", banner reflect in their own unique way, the ideal of "Rotarians united in service, dedicated in Peace".
