## 13th May 2019

### This Week

Ray and Sue Rice from Turramurra Rotary, and BOBBO fame, will be with us accompanied by Ngaire Ralph. Ngaire is a very articulate young lawyer who impressed all who heard her speak to District Conference last year.

Ray and Sue are the joint chairs of Rotary Youth Exchange for our District and Ngaire is coming to tell us what benefit she obtained from her exchange a few years ago. Ray and Sue will bring us up to date on the changes to the Youth Exchange programme.

### WELL DONE DAVID!

In recognition of his great service to the Club and the community, President Joy presented David Forsythe with a second Sapphire for his Paul Harris Fellow pin.

Joy spoke of David's history of service to the Club over many years but in particular his leadership of the "Cluck Road Farm" project at Clarke Road School. She said that our loss was New Zealand's gain and

whilst we will see David for a few more weeks, he won't be at Changeover so our international night was a good opportunity to recognize David's service and farewell him as he heads "over the ditch" for the next few years. Everyone present joined in wishing David well and Joy asked him to give Patricia the Club's best wishes.

**Tax Time approaches!**

**Have you paid your centurion membership? Fully tax deductible!**

Is our Secretary multi talented or was he just the delivery man?

Just some of the wonderful range of food choices!

## International Night

Thanks to Peter Kipps and Ross and Helen Egan, and the Club's talented cooks, the Club's International night was a great success. The food was delicious, the fellowship was great (of course!) and we raised about \$1500 to help fund Solar panels for a school in Fiji, meaning that some children will have a better education than they would have had without our help.

Well done Peter, Ross and Helen for a well organized night, and special thanks to Ross and Helen for the use of your home.

Peter also outlined some of the other International projects which we are helping this year including the School For Life in Uganda

**Woolies "earn & learn" Stickers.** This promotion is on again. If you shop at Woolworths, please ask for stickers at the checkout and bring them to Rotary. Joy will collect them and get them to Clarke Road School. Ask your friends to join in too.

## Next week

**Mon 20th May:** Graham Bradshaw will speak about an innovative Aboriginal housing initiative. As a club we have often said we would like to help with a project involving our indigenous community. Come along and learn what this programme offers.

**HAPPY MOTHERS' DAY!**

## Gordon Markets Roster

	12 May	9 June
<b>BANNERS</b>	Frank W	Frank W
<b>SIGNS</b>	Geoff	Geoff
<b>SET UP</b>	Frank W	Frank W
<b>8.00 to 10.30</b>	John A	Greg N
<b>10.30 to 1.00</b>	Robyne A	Bob E
<b>1.00 to 3.30</b>	Gary D	Ross E

## Door Team for May

Michael Midlam, Tony McClelland, Graham Maslen
