

KOONGGA

3rd June 2019

A Night to be proud to be a Rotarian!

Eagles RAPS \$18,600

Total Distribution \$186,000

The largest attendance so far at a BOBBO presentation night with 140 people present, saw President Joy present Marten Wynd with the cheque for Eagles RAPS, which was very much appreciated, particularly in their present situation

Marten told the gathering how much they value the support of our club, and the others involved in the BOBBO.

He said that in their 21 year history no organisation has given them as much financial support as has our Club in the 11 years we have supported them, in several ways, since the Garden Festival in 2009.

Tax Time approaches!

Have you paid your Centurion membership? Fully tax deductible!

Your \$100 could help educate a child or help provide clean water

Think about it, call Chris Hoch

This week's meeting, Monday 3 June is a double bill

Act One

D Caf (dementia café) - A St Ives Rotary/Hornsby Lions/PCYC/KNC associated project called D Caf (weekly dementia café) has been successfully held at PCYC Waitara.

A dementia café is a weekly meeting place for a small group of people living with dementia and their family caregivers who are still living within the community.

One of the driving forces behind this community project is Fiona Jenkins, our Assistant Governor. She will update us on the expansion of the programme, which becomes more relevant every week.

Act Two

Anil Fulwaria, yes our own computer man, will speak to us about what he learned from Rotary friends about the "Days for Girls" programme, when he visited India recently.

Have you registered for Changeover yet? Joy and Bob would like to know that you are coming! Please register this week and help celebrate 60 years of service to the community by our Club.

Rosters

No point repeating the markets here. You all have Geoff's email.

Please look at the gaps and see where you can help.

Door June

David Kitchen and whoever is taking Lou's place!

Very successful morning at West Pymble!

Nett Profit from sausages and raffle \$660. More ticket sales to come!
