Different Drums!

This week we will have a performance which promises to be a bit more energetic than our usual sedate style! Then we will hear about the work being done for these orphaned children in Uganda. Another Australian initiative using sustainable methods and providing hope where it did not exist previously.

This is a joint meeting organized by Lindfield Rotary Club.

Please bring your partners as it promises to be an entertaining night.

Car Raffle Draw is next Wednesday, 10th April

**Please bring all books and money to Ross Egan
on Monday night**

Bob's Team for next year

If you are a Director or Avenue of Service Chair on Bob E's team for next Rotary Year, you run the risk of learning useful stuff at District Assembly on Sunday 14th April.

Please be there if at all possible. Details from Bob, Joy or DG's newsletter.

Last week we heard from local law firm Proctor Willaws about the complexity in various forms of retirement village contracts. It is certainly a field of many options. The more options we heard about the more your acting editor was grateful he decided to take the option he has!

Two impressive young men

Next week we will hear from two impressive young men. Yousof Ahmadzai was our RYLA (Rotary Youth Leadership) awardee this year . Andrew Long is leading the establishment of the North Sydney Rotaract Club and has done an outstanding job of raising the expectations and level of commitment from the members of this new club
