Rotary Foundation Thought for The Week

41) This week's Rotary Foundation Thought is about Changing and Saving Lives.

Have you ever considered that your contribution to The Rotary Foundation may mean the difference between life and death? Rotary Foundation Matching Grant projects have helped provide the Malawi Children's Village (MCV) with everything from clean water, food and medications to blankets, sewing machines and a windmill. The Rotary Club of Canandaigua, New York, USA and Chakunga Sibale, director of the MCV, founded the program in 1997 and it is supported locally by the Rotary Club of Limbe. "The MCV has had a very great effect to relieve the suffering of children in my country," says Sibale. Rotarian's contributions to this project have literally meant the difference between life and death for many of the children in the MCV program.
