## Restaurant Night

On Monday 14<sup>th</sup> of May we will be holding our Monday night meeting upstairs at the Greengate Hotel Killara, starting at the normal time of 6.30pm. There is underground parking available, the access being from Pacific Highway only heading South, turning into the Greengate lane next to the hotel and driving down to the parking area under the apartment block next to the hotel. The menu will be alternate courses at the normal price of \$30. Drinks will be available at the bar upstairs.

The guest speaker will be our fellow Rotary member, Ivan Cribb, who has been involved with many organisations and agencies working to improve services for people with disabilities. He has particularly contributed to the work of the Royal Blind Society. Ivan was made a member of the Order of Australia in 1994 in recognition of his service to the community and vision impaired people.

All members and partners are invited to attend this night.

## Beecroft Rotary Blanket Day

### BLANKETS FOR MISSIONBEAT AND THE SYDNEY HOMELESS

*Can you imagine what it would be like living on the streets of Sydney? Sleeping rough every night with your only belongings in a plastic bag?*

*In November The Rotary Club of Beecroft organised a collection of Backpacks for MissionBeat. About 90 backpacks were handed over and these have now all been distributed.*

#### So we at Beecroft Rotary have a new quest!

We are now in desperate search for blankets, quilts and sleeping bags! Perhaps you don't go camping anymore, so the sleeping bags are surplus and just taking up room in the garage.

Please look through your cupboards and storage for spare blankets and quilts.

Blankets and sleeping bags can be brought to The Beecroft Pharmacy and placed in the storage container near the door.

We must finish collecting by Saturday 2<sup>nd</sup> June

#### About MissionBeat

Mission Australia's homeless outreach service, patrols inner Sydney streets seeking out those in distress and offering them support.

The iconic vans transport homeless men, women, children, families and intoxicated or drug affected men and women to services to meet their immediate needs, including safe accommodation, medical care or food and clothing.

## TURRAMURRA ROTARY

Don Murray is the guest speaker at an upcoming Turramurra Rotary meeting on a topic that some of your members may find very interesting.

He is a personal friend of mine and has a most interesting business background - indeed I am very pleased that he has agreed to speak on a topic that is relevant in today's world. It's an avenue of progress that is happening, but it doesn't seem to attract the media attention it should.

The topic is:

**SUSTAINABLE ENERGY ALTERNATIVES** ie Integrated food and energy products in least developed countries.

Don is not a scientist so the subject matter won't be highly technical but I'm sure with his presentation abilities it will be worthwhile coming along.

Could you circulate this information within you club - your members would be very welcome indeed.

DATE: Tuesday 8 May 2012 - 6.30pm for 7.00pm

VENUE: Warrawee Bowling Club, 1479 Pacific Highway, Warrawee (near intersection with Fox Valley Rd)

COST: \$28 + drinks.

Please advise me if you are attending for catering purposes by Tuesday 9am at the very latest.

Thanks and regards Roger Norman

## Retirement Options

Financial Information Service

Australian Government

When you go on a big holiday, whether it's a roadtrip or overseas travel:

- You save for the holiday
- You plan your budget

### How does that plan look?

You think about what will happen

- What activities you would like to get into

Where each stop will be

- Where you can get cash and something to eat

### If you put this sort of effort into planning your retirement then you will be on your way!

Hi, I'm Mick -I'm 56 years old and my partner ('The Boss'), Jen is 55 (I think). Our big holiday might be around 5 years away at the moment. We need to prepare for our holiday by doing a budget and starting a savings plan now.

Our budget will help us determine where we can go and what we can do.

## Retirement Options

### How will we save for this holiday?

Let's check:

- where we are financially,
- where we need to be,
- and how we're going to get there.

Now, how about some investment options that might help put fuel in the car.

### Investment Options

Superannuation

- Salary Sacrifice
- Transition to retirement income stream
- Non-super investment
- Borrowing to invest

### Superannuation

Is your asset allocation still right?

- Really boost your Super?
- Should I have T2R?
- Non-super funds?

### Borrowing to Invest

Are there other options that help build our savings?

- Gearing into property?
- Margin Lending?

### So, how does the retirement roadtrip work?

We save for our holiday.

- At the start we do a lot of things and go a lot of places.
- Then it costs a bit more

So, how does the retirement roadtrip work?

- So how much will we need and where does the cash come from?

## Retirement Options

### Consider this...

ASFA/Westpac Retirement Standard

- Single "modest" lifestyle \$19,959 pa
- Couple "modest" lifestyle \$27,984 pa
- Single "comfortable" lifestyle \$38,611 pa
- Couple "comfortable" lifestyle \$51,727 pa

### Mick and Jen...

Let's revisit Mick and Jen now they are 61 and 60 and retired. They have combined supers of \$300,000 and have both ceased work to commence the adventure. They take advice and decide to have an account based pension each for income. They also retained \$25,000 each in their super funds to use for lump sum needs. Mick and Jen...

Income with interest from supers included

Acct. Based Pensions \$250,000 \$30,000

Super and Cash \$70,000 \$5,000

Other Assets \$40,000 Nil

Total \$35,000 pa

\$1,346 pf

What are the differences if Mick and Jen had worked on till 66 and 65 respectively?

- They retired with combined supers of \$450,000.
- Again they choose to retain \$50,000 in super and have \$200,000 each in account based pension.

Income with interest from super included Acct. Based Pensions \$400,000 \$28,000

Super and cash \$70,000 Nil

Other Assets \$20,000 Nil

Age Pension \$18,434

Total \$46,434 pa

\$1,786 pf

### Future Changes

The risk of change is negligible when compared to the risk we take by doing nothing

## Retirement Options

If we are self sufficient in retirement it won't matter if the Age Pension rules change

We have the chance to plan and act now -at age 64 or 65 it will be too late

## Rotary Foundation Thought of the week

### 40) Recognition for British PM.

Rotary International has recognised David Cameron, Prime Minister of the United Kingdom, with its Polio Eradication Champion Award for his leadership and dedication to a polio-free world.

RI President Kalyan Banerjee presented the award to International Development Secretary Andrew Mitchell, who received it on the PMs behalf at a reception at the House of Commons on 14 March.

The award is the highest honor Rotary presents to heads of state, health agency leaders, and others who have made significant contributions to the global polio eradication effort.

"We have a once-in-a-generation opportunity to rid the world of the evil of polio," Cameron said in a statement about the recognition. "The commitment of Britain and the Global Polio Eradication Initiative, with the support of millions of Rotarians, has helped bring this crippling and often deadly disease to the brink of eradication."

"On behalf of Rotary's 1.2 million members worldwide, I am honored to recognise the commitment of Prime Minister Cameron for his outstanding support to eradicate polio," said Banerjee. "My country, India, has just surpassed a year without polio. We would not be so close to achieving a polio-free world without the long-standing support and continued leadership of the United Kingdom. We encourage other G8 countries to follow the UK's lead in continuing their support so that the world will be polio free."

The United Kingdom has been a strong supporter of the global polio eradication initiative with contributions and commitments totaling more than US\$960 million through 2012.

"It is an honour for the UK and the Prime Minister to be recognised," said Mitchell. "Britain is at the forefront of the fight against polio and in 2011, Britain helped immunise over 45 million children from the crippling disease. None of this would be possible without the public-private partnership of the Global Polio Eradication Initiative and the tireless leadership of Rotary International and its dedicated members. I urge all other countries and organisations to play their part now to achieve our ultimate goal of a world free from polio."

In receiving the award, Cameron joins a roster of distinguished leaders, including India's Prime Minister Manmohan Singh, Chancellor of Germany Angela Merkel, UN Secretary-General Ban Ki-moon, former UN Secretary-General Kofi Annan, and Pakistan President Asif Ali Zardari.
