This week

BHCC is presenting \$82,000 to Lifeline H2H and Bo Hospital.

Each year we rotate the presentation evening between Ku ring gai, St Ives and Turramurra Clubs.

Tonight, we will have 80 guests to participate in the presentation.

BHCC has brought about a big change in our club, from our individual fundraising to a three club combined effort to raise a larger amount to distribute to charity.

NEW Clarke Road School

On Friday, nine of us spent all day at the NEW Clarke Road School helping with many jobs before their students attend for the first day on Monday. We moved boxes, unpacked boxes, flattened boxes, removed rubbish to the skips, sorted and cleaned books and toys, cooked sausages, did an emu hunt for nails and pieces of metal in the grass and on the paths etc, helped set up classrooms, attached Velcro to pictures and signs and put them up, and more! The school is fantastic and the staff are excited about it. Many of the staff thanked us during the day and Principal Diane Robertson and P&C President Kati Herrington, both of whom also worked very hard all day, really appreciated our help. Several times they said. "We don't know what we would have done without you." My heartfelt thanks to Anne Maslen, Laurel Jackson, John and Sue Aitken, Bob and Gwen Ivey, Michael Midlam and Greg for giving up a day for one of our special projects. I am hoping everyone will be able to visit and see the amazing new buildings and play areas, and the re-constructed BBQ in the peaceful Turpentine forest area, before too long. Joy Newling

PHD Graduation Jannet Pendleton

On Friday Jannet and I flew to RMIT University for the Graduation Ceremony 2013. Jannet was presented with a Doctoral Award in Philosophy. RMIT was founded in 1887 with a donation of 5,000 pounds from Francis Osmond

From Ivan Cribb

Hello Fellows,
I hope to see you before we leave. But, in case I don't, I want to let you know that Joyce and I are leaving for Europe on 21 May and not returning until 19 June which is the Wednesday before Change Over. It is our firm intention to be present at Change Over as, Tony, I could not bear to miss your installation as President. I thought it would never happen. So please save two places for us and somebody email me details of venue, cost etc.

Regards Ivan

From Loïc Lacombe

Tomorrow it will be the beginning of the tenth week of my Uni term and my last exam is the 24 June therefore it seems difficult to me to return to the meetings. After I will have a month holiday before returning to Uni and next term I am free on Monday night with no lecture. So I am be happy to come back on the 1st July.
Cheers Loïc

NEW Clarke Rd "Moving In" work party

Clarke Rd "Moving In" work party Friday 17 May
Team Members: Sue & John Aitken, Joy & Greg Newling, Bob & Gwen Ivey, Laurel Jackson, Anne Maslen, Michael Midlam.

A Day from 9.30 am - 3.30 pm of rubbish removal (never seen so many removalist cartons!), emu-bobbing for nails, screws and rivets, setting up the library and helping teachers set up classrooms for lessons on Monday.

And..... check out the new location for the barbeque we built a few years ago (roof and covered area to come). We all slept well that night!

We were all most impressed with the wonderful facilities at the new school, the obvious level of detail that had been considered in planning it - and the efficient planning and organisation shown by our 'helpers coordinator' Kati on the day.
