The Pilgrim's Tale

The Camino de Santiago, also known by the English names Way of St. James and Route of Santiago de Compostela, is the name of any of the pilgrimage routes (most commonly the *Camino Francés* or French route) to the shrine of the apostle St. James the Great in the Cathedral of Santiago de Compostela in north-western Spain, where tradition has it that the remains of the saint are buried.

The Way of St. James was one of the most important Christian pilgrimages during the Middle Ages. Many take up this route as a form of spiritual path or retreat, for their spiritual growth. Brazilian author Paulo Coelho wrote the book *The Diary of a Magus (Magician)* or *The Pilgrimage* based on his own experience along this way.

Soon after retiring last year, Peter Tang walked the Camino, partly to raise funds for the Cancer Council of NSW. His talk will cover his experience of the pilgrimage, the sights he saw and the people he encountered.

Last meeting's guests & announcements

Vice-President John welcomed Jane Hickson, Geny Leal, Cristina Tilston, Helen Egan, Patsy Hungerford, Anne Maslen and Judy Timms.

Peter Kipps reported in relation the Bobbin Head Cycle Classic 2015:

- Rider registrations are coming in a little slower than last year, but are expected to exceed total registrations in 2014;
- Bicycle NSW is marketing the event to its 20,000 members;

- 200 repeat registrations have been received and 60 each sourced from social media and printed flyers; and
- Our club members are actively marketing to bike shops, with banners, trailer signs and other methods.

Vice-President John:

- Asked for the loan of trailers to hold advertising signs for the Bobbin Head Cycle Classic;
- Said that the company that provided drink stops very efficiently has been re-engaged;
- Enlisted Caroline Jones to manage our club's volunteers;
- Said that our club must provide 60 volunteers; and
- Announced that there is an extra ride this year, all rides will start in a one hour period and each ride group will assemble in a separate area on the ovals.

Graham Timms enlisted Bob Ivey and Rob Hall to assist with the 'executive' BBQ for corporate teams, which will be licensed to serve alcohol.

Australia Day honours

Congratulations to Annabelle Chauncy and Dave Everett, founding directors of the School For Life Foundation, each of whom was awarded the Medal of the Order of Australia (OAM) on Australia Day. It's a wonderful recognition of their imagination, determination, hard work and success in creating an education facility that is already making a huge positive impact on the lives of the people of Katuuso, Uganda (with construction of a second facility already under way).

Vale Richard Stanton

Condolences to President Tony and his daughter, Sonia, and granddaughters Emma and Julia on the death of Sonia's husband and the girls' father, Richard Stanton, as a result of a cycling accident. Richard was a member of our club until his job in forestry took him to Canberra in 1999.

The woman charged with murder of her wife

On Monday, 23 February we will have a meeting that puts ABC crime dramas in the shade.

A story, grippingly told by Mark Tedeschi AM QC, barrister and Senior Crown Prosecutor, features a woman who lived as a man, murder, media mayhem and nearby Lane Cove River Park as a part of the crime scene.

And there's more - the meeting will be a joint meeting with our neighbours at Killara Golf Club, Lindfield Rotary Club.

As a special treat, there will be a special menu for the evening. Partners, family, friends and potential Rotarians are invited and you are encouraged to bring them to hear the story of these strange goings on in the flapping 20's. You will need to book them in early for this meeting.

Mark the date in your calendar and be alert but not alarmed. There will be more clues as the date approaches.

And if you want to read the evidence before the trial begins, look for "Eugenia", shortlisted in 2013 as a finalist in the Australian Book Industry Awards and the Australian Crime Writers Association Ned Kelly Awards.

Rotary Australia World Community Service

You are invited to join the next RAWCS Eastern region meeting to be held in Tamworth on **Saturday 14 & Sunday 15 February**, hosted by District 9650. If you have an interest in International Service you should put these dates on your calendar. See full details on the attached flyer (later in this edition of *Koongga* - Ed).

ANZAC Centenary Garden

As part of the **ANZAC Centenary** commemoration events being planned for 2015 **Concord Repatriation General Hospital** would like to create a respectful, elegant garden space in the grounds at the entrance to the hospital. This would make a huge impact on the wellbeing of people visiting their loved ones at "The Repat". Waiting time is always tense and intolerable at times and somewhere pleasant will make such a difference.

At present there is a flagpole, a rose garden bed with a couple of plants and four very old seats.

The **Rotary Club of Sydney Inner West** is working with Concord Repat. General Hospital. So far they have three seats donated by different Rotary clubs but need the fourth seat and money to buy plants and plaques.

A company will donate a large piece of sandstone upon which to mount a 30cm metal Rotary Wheel and a metal plaque etched with the names of the contributing Rotary Clubs. This will be positioned somewhere in the new garden. Also a small Rotary wheel and a little plaque will be attached to each seat, listing the donor clubs.

The cost of each seat is **\$2,650**

Please be part of this great event. You could share the cost with a neighboring club. However, all donations, of any amount, will be greatly appreciated.

A dedication of the Centenary Garden will be on **Wednesday 22nd April 2015** and invitations will be forwarded to all who have helped create this long overdue peaceful space.

Reader's correspondence

I would keep Graham whatshisname on. He tells a great story (*about champagne - Ed*). I get tired just reading some of the exploits of you people and the Koongga is a treat.

Brian Jessep

Many thanks, Brian.

We are planning to keep President-Elect Whatshisname on – at least until he's served as President and Immediate Past President! His biography starts with a period which he says resulted in him becoming a failed journalist. (Koongga will take anyone it can get!)

Cross Egypt Challenge

Dear Rotarian friends around the world,

The Rotary Club of Alexandria Cosmopolitan - District 2451 – Egypt is happy to invite you and your prestigious and respectful club to learn more about and share our Rotary organized initiative, "**Cross Egypt Challenge**" that

aims to promote tourism to Egypt and world understanding.

Cross Egypt Challenge is a series of international cross-country motorcycle and scooter rallies conducted throughout one of the most mysterious and fascinating countries of the world, Egypt. Participation is not only open to professional athletes and riders, but also open to average riders and their accompanying spouses or friends from around the globe.

The series started in 2011 and the first season was a 9 days rally from the shores of the Mediterranean Sea in the North of Egypt to the temple of Abu Simbel, on the southern borders of Egypt for a total distance of over 1700 km. Both the following seasons witnessed different routes through the Nile Valley, Egyptian Eastern and Western deserts where the riders enjoyed riding between the most exotic oases of the Sahara. They also had participants from over 28 different countries many of which were Rotarians and Rotaractors.

Both the 2013 and 2014 season witnessed what we believe was the first ever arranged "Sahara Rotary Meetings" where riding Rotarians along with Rotaracts from our organizing team from the 4 corners of the globe conducted an official Rotary meeting in the Egyptian Western Desert – please view attached image -, a practice that we will happily repeat and continue in each future season.

The 2015 and the fifth anniversary season of Cross Egypt Challenge will start on October 23, 2015 and will last for 9 days. This year, the challenge will include a fascinating and challenging route of 2,725 km that will begin from the Mediterranean's largest coastal city, Alexandria then pass through the Egyptian capital - Cairo - en route to the Red Sea's resort Sokhna before going South to visit the amazing resort cities of Sahl Hashish and Marsa Alam on the Red Sea shore. The challenge will then cross the Egyptian Eastern Desert to reach the Nile valley and visit the ancient city of Luxor, the world's largest open air muse-

um, and the capital of Ancient Egypt where the participants will spend two days in celebration for the rally's 5th anniversary.

From Luxor the riders will head North west to explore some of the most fascinating oasis of the Egyptian Sahara (desert). A total number of 3 oases will be explored on route before the final leg of the 2015 season of Cross Egypt Challenge takes place between Bahareya Oasis and Cairo to end the new season under the Great Pyramids of Giza.

Cross Egypt Challenge provides a very rewarding and challenging experience for participants from around the globe as it combines the best of adventure travels and extreme sports. The 2015 season will mark the fifth anniversary of our initiative, and a very special season with lots of celebrations is planned ahead.

I invite you, your club and your members to support our initiative by:

- Register for the rally, and ride or join one of your fellow riders in our chase vans this November in Egypt, and enjoy a once in a life-time experience (a motorcycle and scooter rental option is available for international participants).
- Share the news about Cross Egypt Challenge with your fellow members and invite interested Rotarians to ride in this season's rally.
- Spread the news out to your local community and local press to promote this Rotary initiatives, and the image of Rotary worldwide.

For more information or to register, please visit our website: www.CrossEgyptChallenge.com and LIKE our Facebook page: www.facebook.com/CrossEgyptChallenge

Direct link to the registration application is: www.crossegyptchallenge.com/registration.html

We look forward to hearing back from you, welcoming you as a rider in Cross Egypt Challenge 2015 and host you in the third Sahara Rotary meeting.

Opera in The Arboretum

Opera in the Arboretum is an open air festival of top Australian opera singers, held amongst the special ambience of the Crommelin Native Arboretum in Pearl Beach. ROMAC is one of the major beneficiaries The event is an initiative of the Rotary Club of Woy Woy and provides a premier cultural experience on the Central Coast showcasing the talents of some of Australia's most respected opera performers.

This year's Opera in the Arboretum, to be held on Saturday 28 March 2015, marks the tenth anniversary of the event and features four of Australia's operatic superstars;

Cheryl Barker, José Carbó, Louise Callinan and Rosario La Spina.

Since 2006 Opera in the Arboretum has raised over \$150,000 for a wide range of local charities and Rotary projects. This year one of the major beneficiaries will be ROMAC to help support medical treatment for children from developing countries in the form of life saving and/or dignity restoring surgery not accessible to them in their home country. ROMAC 9685 Chairman, Philip Smith, emphasises that the donation will go directly to the aid of kids in need and recommends the event is a must for the Opera buffs and others that simply want a unique and memorable experience in an idyllic setting .

Last year was a sell-out and tickets are again selling fast for this year's event. Further information and ticket details can be found on the Opera in the Arboretum website Link www.opera-pearl-beach.com

Golf for genetic research

The Rotary Club of Pennant Hills proudly supports the Genetic Research Unit of Western Sydney at The Children's Hospital Westmead, which is presently engaged in research into Phenylketonuria (PKU) and other genetic disorders. PKU is a rare, inherited (genetic) metabolic disorder. All babies born in Australia undergo a compulsory blood screening after birth. This is done by way of a heel prick at 4 days of age.

You can help raise funds for this vital research by participating in the club's annual charity golf day on Tuesday, 17 March. Full details are on the attached flyer (*later in this Koongga – Ed.*).

Last meeting - no bowling

The previous week's storms and rain on the day of the meeting prevented our members and guests from trying

out Killara Golf Club's bowling greens, so the club did what Rotarians always do in such a situation - had a barbeque. Was it the way that the chefs were dressed that startled or worried the diners so much?
