## **Ku-ring-gai Rotarians show their packing expertise**

On Saturday morning, 5 September, President Graham led 6 members of the club and the wives of two of them on an adventure to Donations In Kind in Minchinbury.

There they found a warehouse packed with all manner of used but useable goods, ranging from medical and hospital equipment to school furniture, computers, printers, clothing and much more.

The main task for the day was to load a shipping container with hospital beds, clothing and soft toys destined for Papua New Guinea. While the Rotarians got stuck into that (displaying packing skills they didn't know they had) Judy Timms and Frances Forrest beavered away sorting bags of T shirts by types and size.

When the container was full the crew enjoyed a simple BBQ. Thanks and well done Judy Timms, Frances Forrest, organiser Georgina Manning, President Graham, Greg Newling, Michael Midlam, Graham Maslen, Lindsay Forrest and Gary Keating.

Donations In Kind's lease will end later this year, when more help will be required to move its goods to new premises.

## **This week:**

### **Philip Smith**

This week's guest speaker is Philip Smith, the District 9685 Chairman of Rotary Oceania Medical Aid for Children (ROMAC).

ROMAC brings children from third world countries to Australia for major, often life-saving surgery which would not otherwise be available to them. Since its inception in 1988 it has changed the lives of over 400 children and their families.

ROMAC receives assistance from medical experts, hospitals, nurses, physiotherapists, pathology and radiology services, airlines, sponsors and other supporters.

In his talk, Philip will tell us about the work that ROMAC is doing and how we can help.

## **Last week's guests & notices**

### **President Graham:**

- Welcomed Cathy Jackson; and
- Encouraged members to book for the District Conference, to be held in Canberra on 11-12 March 2016.

**Joy Newling** reminded members to collect Woolworths 'Earn and Learn' stickers for donation to Clarke Road School and reported the school's continuing appreciation of the trampoline that the club enabled it to obtain.

**Tony McClelland** demonstrated the use of Microsoft OneNote for collecting and sharing all sorts of information (notes, pictures, spreadsheets, audio, video,

## 40 year Group Study Exchange

Lindsay May writes that our District (then District 968) had a Group Study Exchange team visit the USA in 1975.

The team has held a reunion every year since and just had their 40th with all six members present.

Former Rotarian Colin Williams (Vice President,

Wyong in 1971, Charter President, Gosford North in 1972) reports:

In my 29 years of Rotary, I served District 268, 968, 9680 on many committees including G.S.E, District Attendance Officer, Club Service Advisor, International Service Advisor, and member Membership Development Committee.

In 1975, I was chosen as District 968 Governor's Representative (Team Leader) of the Group Study Team to District 769, North Carolina, U.S.A. This team had a highly successful exchange.

The team has held at least one official meeting each year since, and also have frequent contact and social arrangements with each other, plus ongoing communications with North Carolina, especially since emailing now makes this easy.

Each member of the team has revisited North Carolina at least 5 times, (one has been 18 times), and at last count, 16 families from North Carolina have visited Australia. The inter visits have now extended to the next two generations, with children even spending their honeymoon in the cousin country.

Recently, the team held its 40 year reunion at Q Station on the North Head of Sydney Harbour. Every member of the team, together with their wife / partner was present. Some even had and were able to fit their original green jackets !

A great time was had reminiscing, comparing notes and stories, and keeping up with events.

We believe this team is unique, and certainly fostered the aims of Peace, Goodwill, and Understanding.

Team member Richard Lawson and wife Sandy are visiting North Carolina in September to continue our claim and theme: "**The Exchange Goes On**".

## Vocational Excellence Award nominations

The Rotary Awards for Vocational Excellence were inaugurated in 1982 by the Rotary District 9685 Vocational Service Committee. The first Awards were presented to three candidates at the 1983 District Conference in Bathurst by PDG Graham Turnidge.

The concept was accepted by the clubs of District 9685 in subsequent years as an integral part of their Vocational Service program.

The aims of the Award are:

- To recognise vocational excellence of the highest order and to honour outstanding contribution by individuals or small teams of individuals for significant advancement in their vocational field in Australia.
- To inspire further enthusiasm and to give added reward to the exceptional achievers.
- To set an example to others, particularly youth, of the need to strive for vocational excellence for the benefit of their discipline and Australia.

The District Vocational Excellence Committee has commenced the process of selecting awardees to be recognised at the 2016 Conference in Canberra. You may well know of a worthy candidate. If so, make sure our club completes the nomination by 31 October. Nominees should preferably reside and /or carry out their vocation within the boundaries of District 9685.

## District 9685 funds Interplast team to Kiribati

Over the last two years, our Rotary District has raised over \$50,000 to fund an Interplast team. Last week D9685 Interplast Chair, David Hart was informed that the team funded by D9685 will go to Kirabati (pronounced "Kirabas"). Interplast goes there about every 18

months and takes two doctors, two anaesthetists, and two theatre sisters. The team will be led by Miklos Pohl who is a regular Interplast volunteer. The team will leave probably in the first half of next year.

And the news gets even better. D9685 will also fund a physiotherapist from Fiji to come to the Royal Hobart hospital for skill upgrading. She is coming to Hobart in the next few weeks.

Interplast sends a big thank you to all clubs in the district and particularly to those clubs who made a contribution.

Bob Elsworth said that the next priority would be distribution of flyers advertising the Bobbin Head Cycle Classic at other cycling events, starting in October.

**Jack McCartney**, who is responsible for the event's sponsors, said that people buy from people they like and emphasised the importance of maintaining relationships with the BHCC's sponsors. He had visited them all to thank them and they had all said they will continue their support. He asked members to give him the names of anyone who might be able to provide sponsorship at any level, especially if the person is a cyclist.

**Tony McClelland** said that new registration software is under development which will enable greater control of teams and therefore of fundraising.

### Next week: Archie Law: Action Aid

ActionAid Australia (formerly Austcare) had an initial goal of raising awareness of the needs of displaced people around the world.

It then started working with global anti-poverty, responding to the South Asian earthquake in Pakistan and the Boxing Day tsunami in Sri Lanka and Indonesia.

Its current strategy focuses squarely on helping women stand up for their rights.

Next week we'll hear the full story from Archie Law.
