Thank you for supporting The Rotary Foundation's polio eradication efforts. Your generous contribution protects children around the world against a paralyzing disease.

We've made monumental strides since Rotary set out to end polio. Although we are close to reaching a polio-free world, we still have important work to do, and your continued financial support is essential.

As we celebrate The Rotary Foundation's centennial, please take pride in what your generosity is accomplishing. Thanks to your contribution 3,578.00, the Foundation embarks on its second century of service even stronger and more able to help communities all over the world.

Sincerely,

Coming Guest Speakers
